

DECORATIVE GLASS

- Most are semi-obscure, some frosted and textured.
- Minimum 2 square foot cut size.
- Split sheet means we will make one cut at no charge, either piece can be no larger than 65" x 85" due to transport limitations.
- Stock sheet sizes may vary, verify size at time of order.
- Patterns run lengthwise on sheets, but vertical on cut sizes. *(See below)*
- Standard fabrication and tempering charges apply.
- Due to import restraints, availability is limited to stock on hand only. No guarantees can be made on back order lead times or future availability of these unique patterns.
- Due to the nature of the manufacturing process, there will be inherent flaws and variations in the pattern, this is unavoidable and considered part of the natural beauty of the product.
